Principal's Message....April 25, 2024

Hadeeh,

Our last two Pro-D Fridays of the year are here. This Friday, April 26th we do not have classes for teacher professional learning and Friday, May 10th is also a Pro-D day for both teachers and staff. We are well into the third term and final assessments for the year are just around the corner during the month of May.

Last week we got to enjoy 14 STEM (Science, Technology, Engineering, Math) workshops conducted by the amazing team from Exploration Place and on Monday we enjoyed a fun afternoon of caring for the planet. We celebrated Earth Day by cleaning up our playground, making simple bird feeders, and spending time playing games together. We have lots of great and special days ahead.

Please save the date for Kindergarten and Grade 7 moving up ceremonies on Thursday, June 20th at 11:00 am and Academic Awards on the same day at 1:30 pm. You will be notified if your child is receiving an award.

Enjoy the spring weather and the return of green grass and buds on the trees. A family walk after school is a great way to catch up on the events of the day while regulating in nature. I enjoy seeing WKE Eagles out enjoying our community with their families when I am out doing the same. See you soon on the trails!

Karie Evans, Principal

PAC Meeting and Message

The next PAC Meeting is on Monday, May 13 at 6:30 PM in the library.
Hope to see you there! We always welcome new parents to join us!
